Well balanced cat - well muscled - good boning. Good breadth between ears - round apple face. Full cheeked. Eyes round & well opened - clear orange. Chin could be deeper and stronger for perfection. Tail size correct. Good weight and size for age. Lovely drum stick legs. Coat good crisp texture may be a fraction too long. Tabby markings visible and ringing on tail, but acceptable in cream. Super nature.

JUDGE & AWARD RING 2: D DUMPHREYS - 1ST, GPC

Lovely British expression. Head has slight flattening on forehead area. Ears correct for size, shape & set. Large, round, well opened eyes. Slight green rim. Nose correct. Chin a little weak. Cobby body low on legs. Deep broad chest. Thick tail but would like a little more length to perfect balance of cat. Short, thick & dense coat of good cream colour which is almost sound to the roots. A well balanced cat, with head & body in proportion. Tail length acceptable with a slight irregularity at the top of the tail. Head wedge shape with good width between ears. Ears wide at base and pricked, large. Eyes not oriental in shape which distracts from the expression. Coat heavily shaded for age, but still shows good contrast. Brindling on face & tail

JUDGE & AWARD RING 2: G PAQUET-FRANC - 1ST, CC

Good well balanced body, good long legs and small feet. Tail OK, long and tapering. Good head shape, profile almost straight, good chin. Ears well set and well opened. Good eye shape and colour. Good coat texture and length, contrast of the points good, and colour could be better even. A lot of patches. Good condition.

Very good points and coat colour but the coat is slightly coarse on the back. Medium wedge is too narrow with not enough width between the ears. Ears could be larger. Eyes colour a brilliant vivid blue. Eye shape not oriental enough and eyes a bit too full. Ex temperament. Condition of the coat needs attention. I saw a number of fleas and Flea dirt.
